

Queen B's Quilt Shop now carries **Cosmo No. 25 Embroidery Thread** and **Cosmos Seasons Embroidery Thread** by Lecien. Lecien has been producing Cosmo embroidery thread in Japan since 1950. Cosmo thread is made from the best grade of Egyptian cotton available and its texture and sheen is equal to that of silk. Cosmo floss doesn't twist and tangle like other flosses, and is easy to separate the strands for stitchery projects. Cosmo thread glides smoothly through fabric – we hope you enjoy stitching with Cosmo!

◉ Embroidery Threads

Cosmo No.25 embroidery thread

The most popular No.25 thread is made by top grade of cotton, Egypt Cotton.

It is soft and has the sheen of silk.

Furthermore, stain at dyeing skills lead us to produce a excellent thread which it doesn't discolor so much.

443 color in total

No.25 Thread

It's made of top quality Egyptian cotton and available in 443 color ways. *Standard Item for hand embroidery (6strands).
